

Arbor

The Parent Portal and Arbor App let parents register their child for a club or trip, book parents evening slots, and manage payments all from their phone or computer. Parents can also check in on their child's attendance, behaviour and progress.

It is important we have an up to date e-mail for parents/guardians so we can send you the link to set up your Parent Portal on Arbor.

It is very simple to set up, we would advise if you can, to download the Arbor app.
