### **Rotherham United will be coming to St Thomas on Thursday 23rd March!**

Each class will experience:

- An African dance workshop
- Participate in engaging classroom activities
- Embrace a different culture
- Taste African cuisine

To conclude the day, a Rotherham United player will be coming into school for a question and answer session.

We ask that the children wear Ghana flag colours (**red**, **yellow** and **green**) and donate £1. All proceeds will go to charity.

'Rotherham United have one of the greatest achievements in sporting history – signing the **FIRST EVER** black professional football player.

This was Arthur Wharton – he played for the club back in 1889-1894 before returning for another year in 1895. He was born in Jamestown, Ghana. He is now known for being the first ever black professional footballer but also for been the first ever recorded fastest man in the world running 100m in 10 seconds, a record he held for 30 years.

Jamestown is the chosen area where aid will be given, this is in honour of Arthur Wharton but also in honour of the roots and history of the club. The work done will be done with RUFC and RUCST at the heart.'
