## Kilnhurst Churchyards Gardening and Wildlife Group Use of the Churchyard for schools

KCGWG are a small group of volunteers from St Thomas' Church who are committed to developing the churchyards with the help and ideas from the community who use it.

We are hoping to develop log piles, butterfly and bee gardens, a meadow and erect bird and bat boxes to encourage a range of wildlife as well as creating nature trails and a local history trail.

We would love to be able to offer the space for the school children of Kilnhurst as a learning resource where science and some aspects of history could be covered in an interactive way. We also have access to educational resources from Caring for God's Acre which would suit both Key Stages.

We would love to hear your thoughts. Perhaps you may have ideas of how to use the area for Forest School activities?

We are holding a "drop in" meeting on Saturday, 6<sup>th</sup> April, from 2.00 to 4.00 in the Church Hub where we would love to hear your ideas. I understand that as our drop in is on a Saturday you may not be able to attend, but if you are interested in our plans, please feel free to contact me and I will be happy to chat with you.

Thank you,
